1 Our agreement in general

1.1 Parties to this agreement

This **policy** is between the **insured** and the **insurer** as declared in the **schedule**. This document, together with its **schedule** and any attached endorsements is the **policy** which sets out this insurance. It is a legal contract so please read all of it carefully.

1.2 Words in bold

Words in bold typeface used in this **policy** document, other than in the headings, have specific meanings attached to them as set out in the General definitions and interpretation.

1.3 Policy structure

Each **insured section** sets out the scope of the main coverage and the circumstances in which the **insurer's** liability to the **insured** is limited or may be excluded. Further, each **insured section** sets out other terms and conditions relevant to that **insured section**. The cover provided by each **insured section** is only operative if stated as 'insured' in the **schedule**. Where any **schedule** heading or sub-heading states 'n/a', 'not applicable' or 'not insured' then no cover applies for that item.

Additional clauses set out terms, exclusions or limitations that may apply to more than one **insured section**.

The following general terms apply to all insured sections, clauses and endorsements:

- a) Duties in event of a claim or potential claim;
- b) General terms and conditions;
- c) General definitions and interpretation; and
- d) Complaints.

1.4 Policy period and premium

The **policy** will provide insurance as described herein for the **period of insurance** provided the premium(s) and other charges are paid to and accepted by the **insurer** on or before the payment date shown in the **schedule**. Taxes, levies and other relevant fiscal charges are payable in addition to the premium.

The premium is deemed paid and accepted on receipt by the **insurer** or the broker appointed to place this insurance with the **insurer**.

1.5 Signature

In evidence of the **insurer's** intention to be bound by this insurance, it prints the signature of its Chief Executive Officer.
