 - ii) the cost to replace the article;
 - iii) the value, if any, stated in the **schedule** pertaining to the specific article.
- e) On **electronic data** the cost to repair, replace or restore the medium containing such **electronic data** to the condition that existed immediately prior to the **damage**, including the cost of reproducing any **electronic data** contained thereon, providing such medium is repaired, replaced or restored. Such cost of reproduction shall include all reasonable and necessary amounts, incurred by **you** in recreating, gathering and assembling such **electronic data**. If the medium is not repaired, replaced or restored the basis of valuation shall be the cost of the blank media.
- f) On **employees'**, directors' or visitors' property, the cost of repairing or replacing the item(s) as new, whichever is the lesser.
- g) On motor vehicles or motor chassis the **actual value**.
- h) On all other **property insured**:
 - i) where the **property insured** is destroyed, the rebuilding of the property if a building, or, in the case of other property, its replacement by similar property, in either case in a condition equal to but not better or more extensive than its condition when new;
 - ii) where the **property insured** is **damaged**, the repair of the **damage** and the restoration of the **damaged** portion of the property to a condition substantially the same as but not better or more extensive than its condition when new.

8.3.2 **Basis of settlement conditions**

- a) If **you** elect and **we** agree not to repair or reinstate any **property insured**, then **our** liability shall be limited to the **actual value** of the **damaged property insured**, however settlement on this basis shall be at **our** sole discretion.
- b) If **we** elect or become bound to reinstate or replace any **property insured**, **you** will, at **your** own expense, produce and give to **us** all such plans, documents, books and information as **we** may require.
- c) **We** will not be bound to reinstate exactly or completely but only as circumstances permit, and in a reasonably sufficient manner, and will not in any case be bound to expend in respect of any item of the **property insured** more than the **sum insured** or **sub-limit** thereon.
- d) If at the time of any **damage** to any **property insured**, such property is covered by any other insurance effected by **you** or on **your** behalf but is not on the identical basis of **reinstatement** to the terms of this clause, then this **policy** excludes and does not cover payment of any amount in excess of the amount that would have been payable if this condition had not been incorporated.
- e) The work of **reinstatement** must be commenced and carried out with reasonable despatch, otherwise no payment will be made beyond the amount which would have been payable under this **section** if this condition had not been incorporated.
- f) **We** will have no liability to pay any amount beyond the amount that would have been payable under this **section** if this condition had not been incorporated until such time as the cost of **reinstatement** has actually been incurred.

8.3.3 **Claim discharge**

You or **your** personal representatives' receipt of the final adjusted claim settlement will discharge **us**.

8.3.4 **Compromised settlements**

If **you** compromise with **us** any claim under this insurance, where more than one (1) party has an interest in the **property insured**, the benefit will represent the total amount payable in respect of that **property insured** for the interests of all parties covered by this **section**.

8.3.5 **Contract price**

In respect of goods sold, but not delivered, for which **you** are responsible under a contract of sale, if the contract of sale is cancelled by reason of an **insured peril** either wholly or to the extent of the **damage**, **our** liability will be based on the contract price of the goods and in the event of underinsurance the value of all goods to which this clause would in the event of **damage** be applicable will be ascertained on the same basis.

8.3.6 **Contracting purchaser**

If at the time of **damage** to any **building** insured under this **section** **you** have contracted to sell **your** interest in such **building** and the purchase has not been but is thereafter completed, the purchaser will be entitled (on completion of the purchase, and then only so far as the property is not otherwise insured by or on behalf of the purchaser against such **damage**) to the benefit of this **section** insofar as it relates to such **damage**, without prejudice to the rights and liabilities of **you** or **us** under this **section** up to the date of completion.

8.3.7 **Designation**

For the purpose of determining where necessary the heading under which any property is insured, it is agreed to accept the designation under which such property has been entered in **your** books.

8.3.8 **Involuntary betterment**

Where **property insured** is **damaged** and requires replacement and similar property is not obtainable, **we** agree:

- a) to accept, without deduction for betterment, replacement property which is as similar as possible and which is capable of performing the same function; and
- b) to pay the cost of purchasing and installing technologically current equipment which is necessitated by incompatibility between:
 - i) the equipment installed to replace **damaged** equipment; and
 - ii) **undamaged** existing equipment at the same or interdependent location.

We shall not be liable to pay more than the amount sufficient to enable **you** to resume operations in substantially the same manner as before the **damage**.

8.3.9 **Maintenance of refrigeration units**

It is agreed that there is in force a planned maintenance programme for the servicing of the refrigerating machine at regular intervals by the manufacturer or a competent refrigeration engineer and that a proper record is kept. Any defects arising during the **period of insurance** must be addressed immediately but where this is not possible, **we** must be notified immediately.

8.3.10 **Non-invalidating**

If the risk of **damage** is increased by any inadvertent act or omission or by any alteration not otherwise subject to any policy exclusion that occurs without **your** knowledge, such material change will not invalidate this insurance, provided that **you** immediately on such act, omission or alteration coming to **your** knowledge, give notice thereof to **us** and pay such extra premium as **we** may require.

However, this provision shall not apply to set aside any exclusion which would but for this clause be applicable and it is agreed that any such **policy** exclusion shall prevail over this clause in the event of any conflict.

8.3.11 **Other parties**

The interest of such other parties including, as the case may be, lessors, mortgagees, banks and hire purchase companies is noted in this insurance but only to the extent of their financial interest in the **property insured**.

In the event of any claim:

- a) **you** will immediately declare to **us** the names of such interested parties; and
- b) **we** will consult with such declared interested parties as regards the manner and method of any indemnity so as to protect the direct financial interests of such parties.

8.3.12 **Pairs and set settlement basis**

This insurance shall include the resulting reduction in value of the remaining **undamaged** components or parts of products customarily sold as individual units or sold as pairs, sets or lots or ranges of sizes or colours.

8.3.13 **Reinstatement of property**

If **we** elect or become bound to reinstate or replace any **property insured**, **you** will, at **your** own expense, produce and give to **us** all such plans, documents, books and information as **we** may require. **We** will not be bound to reinstate exactly or completely but only as circumstances permit, and in a reasonably sufficient manner, and will not in any case be bound to expend in respect of any of the **property insured** more than the **sum insured** or **limit of liability** thereon.

8.3.14 **Reinstatement including day one (1) reinstatement**

If **property insured** is **damaged**, **our** liability to **you** is to be calculated on the basis of **reinstatement** of the property **damaged**, subject always to the exclusions and conditions set out, below:

8.3.15 **Exclusions**

a) **Excluded property**

The insurance by this clause excludes and does not cover **stock and materials in trade, rent**, private dwellings, motor vehicles, motor chassis or employees', directors' or visitors' property but this exclusion does not apply to tools used on **your** behalf by **your** employees at the **premises**.

b) **Dual insurance under different conditions**

If at the time of any **damage** to any **property insured**, such property is covered by any other insurance effected by or on **your** behalf but is not on the identical basis of **reinstatement** or day one (1) reinstatement, as applicable, to the terms of this clause, then this **policy** excludes and does not cover payment of any amount in excess of the amount that would have been payable if this clause had not been incorporated.

8.3.16 **Conditions**

a) **No unreasonable delay**

The work of **reinstatement** must be commenced and carried out with reasonable despatch, otherwise no payment will be made beyond the amount which would have been payable under this **section** if this clause had not been incorporated.

b) **Payment sub-limit - partial damage**

When the **property insured** under this clause is **damaged** in part only, **our** liability will not exceed the sum representing the cost which **we** could have been called upon to pay for **reinstatement** if such **property insured** had been wholly destroyed.

c) **Claim payment terms**

We will have no liability to pay any amount beyond the amount that would have been payable under this **section** if this clause had not been incorporated until such time as the cost of **reinstatement** has actually been incurred.

d) **Reinstatement day one (1) basis – non adjustable**

For each item except stock in trade specified in the **schedule**, **we** agree to calculate the premium upon the **declared value** provided that, at inception of this **policy** and the commencement of each subsequent **period of insurance**, **you** notify **us** of the **declared value** of each such item (in the absence of such a notification, the last amount declared by **you** will be taken as the **declared value** for the ensuing **period of insurance**).

e) **Underinsurance**

Each item of **property insured** covered is, to the extent specified in the **schedule** as being covered on a **sum insured** basis, subject to the following conditions of average:

- i) **Eighty five percent (85%) average**

If at the time of **reinstatement** the sum representing eighty five per cent (85%) of the cost that would have been incurred in **reinstatement**, if the whole of the item of **property insured** had been destroyed, exceeds the **sum insured** thereon at the breaking out of any fire or at the commencement of any **damage** to such property by any other cause hereby insured against, then **you** will be considered as being **your** own insurer for the difference between the **sum insured** and the sum representing the cost of reinstatement of the whole of the property and will bear a rateable proportion of the loss accordingly.

ii) Day one (1) basis average

Except that where **property insured** is specified as insured on a day (1) basis then if at the time of loss the **declared value** of the **property insured** is less than the cost of **reinstatement** at inception of the **period of insurance**, then **our** liability for any loss hereby insured will be limited to that proportion thereof which the **declared value** bears to the cost of **reinstatement**.

iii) Standard underinsurance condition

Where **property insured** is not specified as insured on a **reinstatement** or day one (1) basis then each item of property is covered on a **sum insured** basis and is declared to be separately subject to the following condition of average:

'If at the breaking out of any fire or at the commencement of any **damage** by any **insured peril**, the value of **property insured** is collectively of greater value than the **sum insured**, then you will be considered as being your own insurer for the difference and will bear a rateable proportion of the loss accordingly.'

8.3.17 **Reinstatement of sum insured following loss**

In consideration of this insurance not being reduced by the amount of any loss under this **section** **you** will pay such additional premium to **us** as may be required.

8.3.18 **Seventy two (72) hours clause**

The word occurrence shall mean any one (1) loss or series of losses arising out of and directly occasioned by one (1) event or one (1) original cause. However, the duration and extent of any one (1) occurrence shall be limited to:

- a) seventy-two (72) consecutive hours as regards earthquake, flood, or windstorm;
- b) seventy-two (72) consecutive hours and within the limits of one (1) borough, city, town or village as regards riot, civil commotion, malicious damage and vandalism.

You may choose when any of the periods commence and if the event or common cause is of greater duration than the above periods, **you** may decide to divide that event or common cause into two (2) or more occurrences provided that no two (2) periods overlap.

Should any such period extend beyond the expiry or cancellation date, **we** shall be liable as if such period had fallen entirely within the **period of insurance** of the **policy**.

8.3.19 **Subrogation waiver**

In the event of a claim arising under this **section** **we** agree to waive any rights, remedies or relief to which **we** might become entitled by **subrogation**, following **damage** covered by this **section**, against:

- a) any company standing in the relation of parent to subsidiary (or subsidiary to parent) to **you** as defined in the Companies Act 2006 or Companies (N.I.) Order 2006, as appropriate, current at the time of the loss; and
- b) any company that is a subsidiary of a parent company of which **you** are a subsidiary, in each case within the meaning of the Companies Act 2006 or Companies (N.I.) Order 2006, as appropriate, current at the time of the loss.

8.3.20 **Unoccupied or vacant buildings**

- a) **You** will give **us** notice forthwith if a **building** becomes **unoccupied** or if an **unoccupied building** or portion thereof is again occupied. **You** will pay such extra premium as **we** may require in consideration for the continuance in force of this insurance.
- b) Further it is agreed as a condition of this insurance in respect of **buildings** that become **unoccupied** that:

- i) all main services are turned off at the mains and water tanks drained and emptied; and
- ii) all combustible materials not forming part of the landlord's fixtures and fittings are removed from inside and outside the **buildings**; and
- iii) all ground floor windows and letterboxes are securely boarded over, and
- iv) all reasonable precautions are taken to secure the **buildings** against unauthorised entry

Notwithstanding compliance with the terms of the above paragraphs, the insurance in respect of the **unoccupied buildings** remains subject to the General exclusions - Disused, unoccupied or vacant buildings.

8.3.21 **Workmen**

Workmen may be employed to carry out new erections or alterations, repair, decoration, plant installation, general maintenance and the like at the **premises** without prejudice to the insurance hereby.

8.3.22 **Hot work permit**

Hot work means work involving use of a naked flame or other heat source or oxyacetylene, electric arc or similar welding, cutting, grinding or other spark emitting equipment by any person (whether a third party contractor, an employee or other) at the **premises** (other than as an integral part of **your** trade processes).

It is a condition precedent to **our** liability under this **section** that:

- a) a hot work permit in the form set out in Loss Prevention Recommendation RC7 published by the Fire Protection Association (FPA) or the QBE Hot Work Permit or such similar permit or documentation, is completed jointly by the person responsible for carrying out the work and **your** safety officer (or nominated person) before any **hot work** commences; and
- b) the precautions and systems of work shown on the designated hot work permit are complied with at each stage of the **hot work**.

 - ii) an insurance policy covering **your** interest in the property at the **premises** against such **damage** and such property is of a type and kind not excluded by this **section**;
- b) at the time the **damage** occurs **you** have claimed under the policy referred to in a) above and the relevant insurer has paid such claim in full or admitted liability for such claim or would have done so but for the operation of a proviso in such insurance policy excluding liability for losses below a specified amount.

- b) in respect of **increased cost of working**: the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **gross revenue** which but for that expenditure would have taken place during the **indemnity period** in consequence of the **damage**, but not exceeding the amount of the reduction thereby avoided;
- c) minus, regardless of whether the calculation is based on, the reduction in **revenue** or the **increased cost of working** any sum saved during the **indemnity period** in respect of such of the charges and expenses of the **business** payable out of **gross revenue** as may cease or be reduced in consequence of the **damage**;
- d) except that, in either case, if the **sum insured** in respect of **gross revenue** is less than the **annual gross revenue** (or a proportionately increased multiple thereof where the **maximum indemnity period** exceeds twelve months), **our** liability will be proportionately reduced.

9.1.3 Gross fees/estimated gross fees

Our liability in respect of **gross fees/estimated gross fees** is limited to loss of **gross fees/estimated gross fees** and increase in cost of working. **Our** liability under this **section** in respect of **gross fees/estimated gross fees** will be:

- b) in respect of **increased cost of working**: the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **gross fees** which but for that expenditure would have taken place during the **indemnity period** in consequence of the **damage**, but not exceeding the amount of the reduction thereby avoided;
- c) minus, regardless of whether the calculation is based on, the reduction in **gross fees** or the **increased cost of working** any sum saved during the **indemnity period** in respect of such of the charges and expenses of the **business** payable out of **gross fees** as may cease or be reduced in consequence of the **damage**;

except that, in either case, if the **sum insured** in respect of **gross fees** is less than the annual **gross fees** (or a proportionately increased multiple thereof where the maximum **indemnity period** exceeds twelve months), our liability will be proportionately reduced.

- b) in respect of **increased cost of working**: the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **gross revenue** which but for that expenditure would have taken place during the **indemnity period** in consequence of the **damage**, but not exceeding the amount of the reduction thereby avoided;
- c) minus, regardless of whether the calculation is based on, the reduction in **revenue** or the **increased cost of working** any sum saved during the **indemnity period** in respect of such of the charges and expenses of the **business** payable out of **gross revenue** as may cease or be reduced in consequence of the **damage**;
- d) except that, in either case, if the **sum insured** in respect of **gross revenue** is less than the **annual gross revenue** (or a proportionately increased multiple thereof where the **maximum indemnity period** exceeds twelve months), **our** liability will be proportionately reduced.

9.1.7 **Rent receivable**

Our liability in respect of **rent receivable** is limited to loss of **rent receivable** and additional expenditure and the amount payable under this **section** will be:

- c) minus any sum saved during the **indemnity period** in respect of such of the expenses and charges payable out of **rent receivable** as may cease or be reduced in consequence of the **damage**;

except that if the **sum insured** in respect of **rent receivable** is less than the **annual rent receivable** (or a proportionately increased multiple thereof where the **maximum indemnity period** exceeds twelve (12) months), **our** liability will be proportionately reduced.

9.1.8 **Damage to property at contract sites**

We will indemnify **you** for loss as covered by this **section** resulting from **damage** to property away from the premises but within the **United Kingdom** where **you** are carrying out a contract.

9.2.2 Specified working expenses

If any **specified working expenses** of the **business** deducted in arriving at the **gross profit** are not insured under this **section** then in computing the amount recoverable as **increased cost of working**, the amount of additional expenditure that will be taken into account will be reduced by the proportion that the **gross profit** bears to the sum of the **gross profit** and the **specified working expenses**.

9.3 Other terms and conditions applicable to this section

9.3.1 Alternative trading

If during the **indemnity period** goods are sold or services rendered elsewhere than at the **premises** for the benefit of the **business**, either by **you** or by others on **your** behalf, the amount received by **you** in respect of such sales or services will be brought into account in calculating the **turnover** during the **indemnity period**.

9.3.2 Automatic reinstatement

In consideration of the insurance hereby not being reduced by the amount of any loss under this **section**, **you** will pay such additional premium as may be required.

9.3.3 Delayed loss

In adjusting any loss, **we** will take into account and make an equitable allowance if any reduction in **turnover** due to the **damage** is postponed by reason of the **turnover** being temporarily maintained from accumulated stocks of finished goods.

9.3.4 Departmental

If the **business** is conducted in departments and the independent trading results of each department are ascertainable and can be distinguished from each other, the provisions of this **section** will apply separately to each department affected by the **damage** except that, if the **sum insured** is less than the aggregate of the sums of the **gross profit or gross revenue** as stated in the **schedule** for each department of the **business** (whether affected by the **damage** or not), **our** liability will be reduced pro rata accordingly.

9.3.5 Payments on account

If **you** so request, **we** will, subject to **our** prior consent which consent will not be unreasonably withheld, make payments to **you** monthly on account during the **indemnity period**, provided always that:

- a) the aggregate amount of such payments shall not exceed the **sum insured** under the item for which the claim is being paid hereunder, and
- b) that if the total adjusted loss under this **section** differs from the quantum of the payments made under this clause then **we** and **you** mutually agree to pay or return the difference accordingly.

9.3.6 Professional accountants

- a) Any particulars or details contained in **your** books of account or other **business** books or documents which may be required by **us** under the 'Duties in the event of a claim or potential claim' **section** to this **policy** for the purpose of investigating or verifying any claim made under this **policy** may be produced by professional accountants if at the time they are regularly acting as such for **you** and their report will be the basis for evidence of the particulars and details to which such report relates, unless any such contradictory circumstance or evidence is apparent in which case the onus to prove the loss shall be upon **you**.
- b) **We** will indemnify **you** for the reasonable charges payable by **you** to **your** professional accountants for producing such particulars or details or any other proofs, information or evidence as may be required by **us** under the terms of the 'Duties in the event of a claim or potential claim' **section** to this **policy** and reporting that such particulars or details are in accordance with **your** books of account or other **business** books or documents.

9.3.7 Salvage sale

If following **damage** giving rise to a claim under this **section**, **you** hold a salvage sale during the **indemnity period**, the reduction in turnover item of the Gross Profit/ Estimated Gross Profit Clause will for the purpose of such claim read as follows:

'In respect of reduction in **turnover**: the sum produced by applying the **rate of gross profit** to the amount by which the **turnover** during the **indemnity period** (less the **turnover** for the period of the sale) in consequence of the **damage** falls short of the **standard turnover** from which will be deducted the **gross profit** actually earned during the period of the salvage sale.'

9.3.8 **Subrogation waiver**

However if they refuse to act on this basis, the most **we** will pay is the amount **we** would have paid if they had agreed to the **DAS standard terms of appointment**. The amount **we** will pay a law firm (where acting on your behalf) is currently £100 per hour. This amount may vary from time to time.

A **person insured** must allow **us** to pursue at **our** own expense and for **our** benefit, any claim for compensation against any other person and a **person insured** must give **us** all the information and help **we** need to do so.

The expert must be approved in advance by **us** and the cost expressly agreed in writing between the **person insured** and **us**. Subject to this **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the **person insured** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence. This does not affect the **person insured's** rights under 15.10.8.
- 15.10.8 If there is a disagreement between a **person insured** and **us** about the handling of a claim and it is not resolved through **our** internal complaints procedure the **person insured** can contact the Financial Ombudsman Service for help. This is a free arbitration service for eligible consumers, small businesses, charities and trusts. (Details available from www.financial-ombudsman.org.uk)
- If the dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a barrister, solicitor or other suitably qualified person chosen jointly by the **person insured** and **us**. If there is a disagreement over the choice of arbitrator, **we** will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the **person insured** and **us** or may be paid by either the **person insured** or **us**.

- 15.10.10 **We** will, at **our** discretion, void this **section** (make it invalid) from the date of claim, or alleged claim, and/or **we** will not pay the claim if:
- a claim the **person insured** has made to obtain benefit under this **section** is fraudulent or intentionally exaggerated, or
 - a false declaration or statement is made in support of a claim.
- 15.10.11 Apart from **us**, **you** are the only person who may enforce all or any part of this **section** and the rights and interests arising from or connected with it. This means that the Contracts (Rights of Third Parties) Act 1999 does not apply to this **section** in relation to any third-party rights or interest.
- 15.10.12 If any claim covered under this **section** is also covered by another policy, or would have been covered if this **section** did not exist, **we** will only pay **our** share of the claim even if the other insurer refuses the claim.
- 15.10.13 This policy is governed by the law that applies in the part of the **United Kingdom**, Channel Islands or Isle of Man where **your business** is registered.
