This service provides access to assistance when the **vehicle** is immobilised following a **breakdown** at or within a quarter of a mile of the **driver's** home address.

If, following a **breakdown** only, a prompt local repair is not possible, **your** vehicle will be taken to the **AA's** choice of appropriate local repairer or, alternatively, to a destination of **your** choice, provided it is no further. It is then **your** responsibility to instruct the repairer to make any repairs required. Any contract for repair will be between **you** and the repairer, and it is **your** responsibility to pay them. If other services are subsequently required, e.g. Relay or a replacement vehicle, the relevant pay-for-use cost will be quoted and service will only be provided on the basis that full payment is made.
- b) Please note, any payment will be refunded in its entirety, provided you can establish to our reasonable satisfaction that **you** were entitled to assistance at the time of the **breakdown**, with that level of cover.
- c) Without prejudice to your statutory rights, no refunds will be given if the **covered vehicle** entitlement cannot be proved, or simply because the **covered vehicle** cannot be fixed at the roadside.
- d) Making a payment will only entitle you to service for the incident in question. It will not entitle you to **AA** service for any future **breakdowns**.
- e) When pay-for-use service has been provided by the **AA** for a non-registered vehicle the **AA** will usually contact **you** before sending an invoice for payment.
 - i) If the non-registered vehicle has replaced one of the current registrations the charge may not be enforced.

15.3.4 **QBE Rescue – European cover – Exclusions and limitations**

There are differences between the service the **AA** will provide within the UK and the service **AICL** are able to arrange for **you** when **you** are travelling overseas within Europe. While **AICL** will make every effort to help, within the terms of this **policy**, there will be differences and limitations in services available. The list below is not intended to be exhaustive nor does it replace the terms and conditions of the cover provided or other information given within this booklet. However, it will highlight some of the key areas.

- a) 'QBE Rescue European cover' is not an extension of 'QBE Rescue UK' cover benefits into Europe but is instead subject to the terms and conditions as shown in this QBE Rescue –European cover sub-section to **your policy**.
- b) **AICL** patrols do not operate in Europe. Roadside Assistance will usually be provided through a garage or, if **you** are visiting a country where a sister motoring organisation operates, a local patrol may assist.
- c) European garage mechanics and patrols are unlikely to speak English. If **you** need help, ring the **AICL** helpline.
- d) National holidays and working hours vary throughout Europe. This will impact on the service **we** are able to provide for **you**, especially during busy periods.
- e) Third party service providers, including garages, repairers, recovery operators, car hire companies, etc. are not approved by the **AICL** and do not act as **agents** of the **AICL**.
- f) The **AICL** cannot be held liable for any acts or omissions of any such garages or other third parties.
- g) While **AICL** will try to source a replacement vehicle that meets **your** needs, **AICL** cannot guarantee replacement vehicles of a specific make, model or type. Please see Section 2 Alternative Travel Arrangements – Notes for vehicles that are particularly difficult to source.
- h) Any goods being carried remain **your** responsibility. The **AICL** accepts no responsibility for any loss of, or damage to, them.

- i) Vehicle recovery is not **AICL** Relay and usually vehicles are only recovered unaccompanied.
- j) Vehicle recovery from Western Europe will take on average 8-14 working days. At busy periods and from further destinations, recovery may take longer.
- k) All services and benefits can only be applied strictly within the terms and conditions stated in the **policy**. No concessions will be made under any circumstances to meet or accommodate specialised activities or business arrangements.
- l) **We** do not accept any liability for loss of income arising from any commitment or contractual agreement **you** may have in connection with **your** business or to any third parties.
- m) **We** cannot accept any responsibility or liability for any vehicle or its contents, which has been left overseas, prior to its collection by our transporters or for the onward movement of a vehicle and/or its contents to their destination. This will remain the **driver's**/policy holders and/or the motor vehicle insurers' responsibility.

15.6 Breakdown – General terms and conditions

- 15.6.1 The **AA's** vehicle breakdown assistance services, are available (subject to the terms of service) when a **vehicle** is stranded following a breakdown in the United Kingdom (excluding the Channel Islands and the Isle of Man, where separate Terms and Conditions apply). QBE Rescue cover does not provide cover for non-essential repairs, see sub clause 13 below. Nor must QBE Rescue cover be used in place of regular servicing.
- 15.6.2 The **AA** reserves the right to refuse to provide or arrange breakdown assistance if the **driver** is not present at the scene of the **breakdown** or **accident** and / or is unable to be present at the time assistance arrives.
- 15.6.3 While the **AA** seeks to meet the service needs of customers at all times, its resources are finite and this may not always be possible. The **AA** shall not be liable for service failures where the **AA** is faced with circumstances outside its reasonable control. Events which might constitute circumstances outside the **AA's** reasonable control include (but are not limited to) Acts of God, outbreak of hostilities, riot, civil disturbance, acts of terrorism, acts of government or authority (including the refusal or revocation of any licence or consent), fire, subsidence, explosion, flood, snow, fog or other bad weather conditions, vehicle, equipment or systems failures, shortages of fuel or other necessary supplies, failure of telecommunications lines or systems, default of suppliers or sub-contractors, theft, malicious damage, strike, lock out or industrial action of any kind.
- 15.6.4 The **AA** reserves the right to refuse service where it is requested to deal with the same or a similar fault or cause of **breakdown** to that attended to in regard to the same vehicle within the preceding 28 days. It is **your** responsibility to make sure that emergency repairs carried out by the **AA** are, where appropriate, followed as soon as possible by a permanent repair. The **AA** also reserves the right to refuse to attend a vehicle which is not covered under **QBE Rescue cover**. Nothing in this provision shall affect any rights **you** may have in relation to any negligence or breach of contract or breach of any other legal duty on the part of the **AA** or its agents.
- 15.6.5 The provision of **QBE Rescue cover** is subject at all times to the Service Control restrictions set out below.
- 15.6.6 Service from **AA** patrols is subject to availability and may be supplemented by use of appropriate agents.
- 15.6.7 The **AA** aims to provide an emergency **breakdown** assistance service and patrols are trained and equipped to carry out emergency road repairs. **AA** patrols will not carry out major vehicle servicing repairs or reassembly, for example, where they are required as a result of neglect or unsuccessful work on the vehicle other than on the part of the **AA** or its agent.
- 15.6.8 The **AA** reserves the right to refuse service where, in its reasonable opinion:
- a) The **covered vehicle** concerned was, immediately before the **breakdown** or **accident**, dangerous over laden or un-roadworthy
 - b) The provision of services would involve any breach of the law (including, but not limited to, any breach of road traffic regulations or health and safety provisions)
 - c) Or there has been an unreasonable delay in reporting the **breakdown**.
- Where service has been refused as a result of **your** vehicle being deemed dangerous, over laden or un-roadworthy, the **AA** will seek to arrange but will not pay, to have it removed to a repairer.
- 15.6.9 **AA** Patrols are trained and equipped to carry out emergency roadside repairs and are not in a position and should not be expected to comment on the general safety or road worthiness of a vehicle after a **breakdown** or an emergency repair. In addition, completion of an emergency repair cannot be taken to anyway guarantee the general roadworthiness of the **vehicle** concerned.
- 15.6.10 If the **covered vehicle** cannot be repaired, either by a patrol or an agent, on the highway (or under Home Start at the **drivers** home address) and the vehicle has to be recovered to a garage, **you** must meet all subsequent repair costs.

- 15.6.11 It is important that **you** contact the **AA** if **you** require assistance – if **you** contact a garage direct, whether an agent or not, **you** will have to settle their bill and the **AA** will be under no obligation to reimburse **you**.
- 15.6.12 The **AA** will only accept responsibility for the actions of an agent where the agent is acting on the **AA's** instructions and is providing assistance to a **vehicle**.
- 15.6.13 The following areas are not covered by **QBE Rescue cover**:
- a) Routine maintenance and running repairs, such as fixing faulty radios, interior light bulbs, heated rear windows;
 - b) Any costs of spare parts, petrol, oil, keys, or other materials and garage or other labour required to repair your vehicle;
 - c) Any cost or charges connected with the drainage or removal of fuel, lubricants or other fluids due to the introduction of an inappropriate fluid. It is **your** responsibility to instruct the repairer as to the work required. Any contract for repair will be between **you** and the repairer. If the **AA** considers that a locksmith, body-glass or tyre specialist is needed, it will endeavour to arrange their help on **your** behalf. The **AA** however will not pay for the services and the contract for repair will be between **you** and the repairer. Further, if use of a locksmith or other specialist would in the **AA's** opinion, mobilise the **vehicle**, no further service will be available for the **breakdown** in question. Vehicles not displaying the relevant road fund licence or which do not have a current MoT certificate (if applicable);
 - d) Any additional charges resulting from **your** failure to carry a legal and serviceable spare wheel(s) or tyre(s). The **AA** will endeavour to arrange assistance from a third party on **your** behalf, but will not pay for the cost of the call-out or any repair.
 - e) Having the **vehicle** stored or guarded in the absence of the **driver**;
 - f) The initial recovery of a broken down vehicle when it has left the highway, is in a ditch, standing on soft ground, sand or shingle, or when it is stuck in snow or water or which has been immobilised by the removal of its wheels. **We** will endeavour to arrange, but not pay for, any specialised assistance needed to recover the **vehicle**. Once the **vehicle** is back on the highway, normal **AA** service will be provided under the service entitlement;
 - g) Providing service to the **vehicle** when it is on private property, for example garage premises. The **AA** will be entitled to refuse service unless **you** can establish to its satisfaction that permission has been given by the relevant owner or occupier;
 - h) Any personal transport costs in the provision of service and Relay (Recovery) service cover to such number of persons as exceed the number of seats which are fitted in the relevant immobilised **vehicle** at the time of **breakdown**, or to anyone who was not, at such time, travelling in such **vehicle**;
 - i) Any ferry or toll charges levied in relation to the **vehicle** which is being towed or recovered.
- 15.6.14 The **AA** shall be entitled to assume that the **driver** of a **vehicle** has the authority to request the provision of **AA** service.
- 15.6.15 Any failure by the **AA** to enforce or rely upon any of these terms on particular occasion or occasions will not prevent the **AA** from subsequently relying on or enforcing them.
- 15.6.16 In the event that **you** require vehicle recovery following a road traffic **accident**, the **AA** can provide this for **you** at your request but will not be responsible for meeting the cost involved. If the **AA** does agree to provide recovery in these circumstances **you** will be responsible for, and required to pay, the **AA's** charges for this service (including, but not limited to, any charges relating to any specialist equipment used).
- 15.6.17 Please note that, following a road traffic accident, or otherwise, it is and remains **your** responsibility to ensure that **you** properly comply with any requirements of **your** motor insurance in making a claim under your motor insurance policy.
- 15.6.18 If **you** fail to make any payment to the **AA** when it is due and there is no genuine dispute between **you** and the **AA** as to the amount outstanding, then without prejudice to any other right or remedy available to the **AA**, the **AA** shall be entitled to suspend any further services to **you** and/or terminate your cover and charge **you** all reasonable costs and expenses

involved in collecting the overdue payment. This may involve using debt collection agencies together with interest (both before and after any judgement) on the amount unpaid at a rate of 2% above the official dealing rate of the Bank of England (the base rate) until payment in full is made (interest to be calculated on a daily basis). This provision is made in accordance with the Late Payment of Commercial Debts (Interest) Act 1998.

- 15.6.19 The **AA** has the right, at any time, to refuse service to, or to refuse to arrange service for, any person otherwise entitled to assistance service under cover where it reasonably considers that they;
- a) Or anyone accompanying any such person, is behaving or has behaved in a threatening or abusive manner to **AA** employees, patrols or **agents**, or to any third party contractor; or
 - b) Has falsely represented that they are entitled to services that they are not entitled to; or c) Has assisted another person in accessing **AA** services to which they are not entitled; or d) Owes the **AA** money with respect to any services, spare parts or other matters provided by the **AA** or by a third party on the **AA**'s instruction.
- 15.6.20 The **AA** reserves the right to make changes to these Terms and Conditions, on the giving of reasonable notice, where it reasonably considers it necessary to do so in order for the services it supplies to comply with any changes in the law or regulations applicable thereto.
- 15.6.21 The **AA** shall not, in any event, and to the extent permitted by law, have any responsibility for any increased costs or expense, for any loss of profit, business, contracts, revenue or anticipated savings or for any special, indirect or consequential losses incurred as a result of or in connection with any service provided, whether resulting from tort (including negligence or breach of statutory duty), breach of agreement or otherwise. For the avoidance of doubt, nothing in this clause or these Terms and Conditions shall exclude or restrict the **AA**'s liability for negligence resulting in death or personal injury.
- 15.6.22 None of the Terms and Conditions or benefits, of, or under, the agreement with the **AA** are enforceable by any one other than **you**. For the avoidance of doubt, and without limitation to the generality of the foregoing, any rights under the Contract (Rights of Third Parties) Act 1999, or any replacement thereof, are hereby excluded.
- 15.6.23 These Terms and Conditions, and any agreement entered into under or in connection with the same, shall be interpreted in accordance with the England and Wales laws and are subject to the exclusive jurisdiction of the English Courts. These terms and conditions and any and all correspondence relating to them are, and shall be, in English. The EEA state for the purposes of these terms and conditions shall be the UK.
- 15.6.24 Where the **driver** cannot produce a valid entitlement (card or appropriate details of QBE insurance policy) and some other form of identification. If these cannot be produced, and the **AA** is unable to verify that the appropriate entitlement is held, the **AA** reserves the right to refuse service.

However if the **driver** is unable to prove entitlement to service, the **AA** may, at its discretion, offer service on the immediate payment (by credit or debit card) of the usual Premium for the relevant cover required, plus a supplementary Premium for joining while already requiring assistance.

These costs will be fully refunded if it can be established to the **AA**'s reasonable satisfaction that the relevant level of service entitlement was held at the time of the **breakdown**.

Any services provided under European Cover or Onward Travel may need be paid for in advance by **you** and will be fully refunded if it can be established to the **AA**'s reasonable satisfaction that entitlement to Relay Plus or Onward Travel was held at the time of the breakdown. Without prejudice to **your** statutory rights, no refunds will be given if entitlement cannot be proved, or simply because **your** Vehicle cannot be fixed at the roadside.

Your details may be passed on to the Claims and Underwriting Exchange Register (CUE) run by Insurance Database Services Ltd (IDSL) and the Motor Insurance Anti-Fraud and Theft Register (MIAFTR) run by the Association of British Insurers (ABI). **We** also exchange information with the police and/or other insurers and other organisations through various databases. The aim is to help **us** check information provided and also to prevent fraudulent claims. Under the conditions of the **policy**, as the **insured you** must tell **us** about any incident such as an **accident** or theft which may or may not give rise to a claim. **We** will pass information relating to this incident to the registers.

17.2 Assignment

Assignment of interest under this **policy** will not bind the **insurer** unless and until the **insurer's** written consent is endorsed hereon.

17.3 Basis of contract

Any reference to 'basis of the contract' in this **policy** or in the proposal form (if any) is of no effect.

17.4 Car sharing

Solely in respect of **private cars**, if you receive financial contributions in respect of the carriage of passengers on a journey in **your vehicle** as part of a car-sharing arrangement, **we** will not regard this as being the carriage of passengers for hire or reward (or the use of the vehicle for hiring) purposes. But this concession will not apply and your **policy** will exclude indemnity arising from the carriage of passengers for hire or reward if:

- 17.4.1 **your vehicle** is constructed or adapted to carry more than eight (8) passengers (excluding the driver);
- 17.4.2 the passengers are being carried in the course of a business of carrying passengers;
- 17.4.3 the total contributions received for the journey concerned involve an element of profit.
If **your vehicle** is used under a car-sharing arrangement and there is any doubt as to whether this arrangement is covered by the terms of **your policy you** should immediately contact **us** for confirmation.

17.5 Changes we need to know about

Please tell **us** or **your** insurance intermediary immediately **you** become aware of any changes to **your** circumstances which may affect this insurance. For example:

- 17.5.1 **you** change the **vehicle**;
- 17.5.2 **you** modify the **vehicle**;

- 17.5.7 a change to the ownership of the **vehicle**;

This insurance does not confer or create any right enforceable under the Contracts (Rights of Third Parties) Act 1999 or any amending or subsequent legislation by any person who is not named as the **insured** and both the **insurer** and **insured** may amend, cancel or lapse this insurance without giving notice to, or requiring the consent of, any other third party. However, this will not preclude rights enforceable under the Third Parties (Rights against Insurers) Act 2010.

If at the time of any claim there is any other insurance covering the same risk or any part thereof, **we** will not be liable for more than its rateable proportion.

In assessing **your** application and/or renewal, **we** may search files made available to **us** by credit reference agencies, who may keep a record of that search. **We** may also pass credit reference agencies information they hold about **you** and **your** payment record with them. Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed or assist the tracing of debtors or to prevent fraud.

We may ask credit reference agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and the total score is obtained. Where automatic credit scoring computations are used, acceptance or rejection of **your** application/renewal will not depend only on the results of the credit scoring process.

17.9 Dispute resolution

All matters in dispute between the **insured**, any other party covered by this insurance and the **insurer** arising out of or in connection with the construction or formation of this insurance will be referred to a mediator to be agreed by the parties within fourteen (14) working days of a written notice served on one party by the other requesting such an agreement. If a mediator is not agreed, then either party may apply to the Centre for Effective Dispute Resolution ('CEDR') for the appointment of a mediator. The parties shall share equally the costs of CEDR and of the mediator and the reference, conduct and any settlement of the dispute at mediation will be conducted in confidence.

The parties shall continue to perform their respective continuing obligations under this insurance, if any, while the dispute is resolved unless the nature of the dispute prevents such continued performance of those obligations.

If any such dispute is not resolved by mediation or the parties cannot agree upon the appointment of a mediator or the form that the mediation will take, the dispute will be referred by either party to courts, subject to the law and jurisdiction set down in the Applicable law clause above.

- c) in all other cases if, but for the said breach, **we** would have entered into this **policy** but:
 - i) on different terms (other than terms relating to the premium), **we** may require that this **policy** is treated as if it had been entered into on those different terms from the outset; or
 - ii) would have charged a higher premium, **we** may reduce proportionately the amount to be paid on a claim (and, if applicable, the amount already paid on prior claims). In those circumstances, **we** shall pay only X% of what **we** would otherwise have been required to pay, where $X = (\text{premium actually charged/higher premium}) \times 100$.

If **you** or anyone acting on **your** behalf breaches **your** duty of fair presentation in relation to a variation of this **policy**, **our** remedies shall be as follows:

 - i) by notice to **you** treat this **policy** as having been terminated from the time when the variation was concluded; and
 - ii) retain the premium;
- b) if such breach is not deliberate or reckless, and **we** would not have entered into the variation but for the breach, **we** may treat this **policy** as if the variation was never made, in which case **we** shall return any additional premium relating to the variation; and
- c) in all other cases if, but for the said breach, **we** would have entered into the variation but:
 - i) on different terms (other than terms relating to the premium), **we** may require that the variation is treated as if it had been entered into on those different terms;
 - ii) would have increased the premium by more than we did or at all, **we** may reduce proportionately the amount to be paid on a claim arising out of events after the variation. In those circumstances, **we** shall pay only X% of what **we** would otherwise have been required to pay, where $X = (\text{premium actually charged/higher premium}) \times 100$; or
 - iii) would not have reduced the premium by as much as we did or at all, **we** may reduce proportionately the amount to be paid on a claim arising out of events after the variation. In those circumstances, **we** shall pay only X% of what **we** would otherwise have been required to pay, where $X = (\text{premium actually charged/reduced total premium}) \times 100$.

17.13.1 If **you** or anyone acting on **your** behalf makes a fraudulent claim under this **policy**, **we**:

- a) are not liable to pay the claim;
- b) may recover any part of the claim already paid from the relevant **insured**; and
- c) may by notice to **you** treat this **policy** as having been terminated with effect from the time of the first fraudulent act, in which case **we** are not liable to that **insured** in respect of a relevant event occurring after that time and may retain any premium.

17.13.2 These remedies shall not be available against any other entity insured under this **policy** that was not implicated in the fraud.

17.14 Joint indemnity/cross liability clause

If this **policy** is issued in the name of more than one party, the cover provided by this **policy** shall apply as if separate policies had been issued to each of the parties jointly named as **insured** but **our** total liability for all claims shall not exceed the limits of Indemnity stated in this **policy**.

17.15 Instalment premiums

Where the premium or any part thereof was paid with the benefit of a finance agreement and there remains sums outstanding (whether or not the date for payment of the said sums or any part thereof has fallen due) by you to the provider of the finance (referred to hereafter as the Finance Company) we may at their option deduct all or any part of the sums outstanding between you and Finance Company from any claims settlement due in respect of a loss under this **policy**, provided the sum thereby deducted is paid directly by **us** to the Finance Company.

Where **we** have agreed to the payment of premium(s) by instalments, if any instalment is not received by **us** on or before its due date, then all unpaid instalments and service fees shall become immediately due. Should the full premium and service fee not be paid within seven (7) days of us giving written notice of non payment, this **policy** will be cancelled immediately upon the expiry of such notice.

Following such cancellation, provided that there have been no claims in the current **period of insurance**, **you** will be entitled to a pro-rata return of premium upon receipt of this **policy** and the **certificate(s) of motor insurance** or the insurance disc(s).
