

# SME Surety Bonds

**QBE has considerable experience in a number of sectors and we work with all parties to deliver workable, cost effective solutions as quickly as possible. All applications receive immediate attention and each case is reviewed on its own merits to ensure we provide tailored solutions. Our speed of response and constructive feedback distinguishes us from the market.**

Surety bonds are most commonly found in the construction industry, where the employer needs some financial comfort that a project will be completed, however, bonds are required in many different industry sectors.

We have formed a partnership with Evo Surety to service UK companies and brokers. Evo Surety can issue bonds up to £2.5m on behalf of QBE.
