 - (ii) award **you** a more favourable settlement than has already been offered by **your opponent**; and
- (b) if **you** are seeking **damages** from **your opponent**, **you** will recover them.

Important information about reasonable prospects of success

At all times during **your** legal action **reasonable prospects of success** must exist for **us** to begin, and continue, providing cover under this **section**.

In order for **us** to decide whether **reasonable prospects of success** exist **we** will seek the opinion of the **legal representative**. If **we** and the **legal representative** do not agree on whether **reasonable prospects of success** exist, **we** will also seek the opinion of any other legally qualified advisor or other expert appropriate to **your** claim that **we** feel it is necessary to consult.

If **we** believe that **reasonable prospects of success** do not exist **we** will end **your** claim.

Conditions

- a) **Your agreements with others:**
We will not be bound to any agreement between **you** and the **legal representative** or **you** and any other person or organisation.
- b) **Freedom to choose the legal representative:**
At any time before **we** and the **legal representative** agree that legal proceedings need to be issued or defended in a court, **we** will choose the **legal representative**.

You have the right to choose the **legal representative** if **we** and the **legal representative** agree that negotiations with **your opponent** have failed to settle the dispute and it becomes necessary for legal proceedings to be issued or defended in a court.

You can also choose the **legal representative** if a conflict of interest arises which means that **our** chosen **legal representative** cannot act for **you** because of their professional rules of conduct. **You** must send the name and address of **your** chosen **legal representative** to **us**. If **we** agree to appoint **your** chosen **legal representative**, they will be appointed on the same terms as **we** would have appointed **our** chosen **legal representative**, other than in respect of any agreement **we** and **your** chosen **legal representative** reach over the **costs** that **we** will pay.

When choosing the **legal representative**, **you** must remember **your** duty to keep the **costs** of any legal proceedings as low as possible.

If there is a dispute about **our** choice of **legal representative** that **you** and **us** cannot resolve, the matter will be settled using the procedure in the Dispute Resolution clause.

- (ii) **you** have paid directly to the **legal representative** or any other person without **our** permission;

The **legal representative** must:

- (a) get **our** written permission before instructing a barrister or other legally qualified advisor or expert;

- (f) have any legal bill assessed if **we** and the **legal representative** or the representative acting for and on behalf of **your opponent** cannot agree on the level of **costs**. - (g) settle **your** claim by paying the amount in dispute. If we do this, **we** will not pay any **costs** incurred after the date that **we** tell **you**, and any **legal representative**, that **we** have decided to settle **your** claim. (This will not apply where legal proceedings have begun in a court before the date, **we** decide to settle **your** claim.
